

ESRC Behaviour Change Seminar Series Invitation

Seminar Two: Obesity, food and physical activity

Join our panel of expert speakers for an interactive discussion: What should be on the UK's future 'behaviour change' menu for tackling obesity?

"Obesity is one of the most complex problems we face as a society. This seminar faces the problem head on by bringing together expert speakers from a wide range of backgrounds for what will be an energetic and thought-provoking afternoon. Delegates will have a rare opportunity to take part in a truly multi-disciplinary discussion". Professor Gabriel Scally, Director, WHO Collaborating Centre for Healthy Urban Environments, University of the West of England, Bristol.

Speakers:

- Professor Gabriel Scally, Director, WHO Collaborating Centre for Healthy Urban Environments, UWE
