1245-1330	LUNCH
	() - EXTERNAL INFLUENCES ON TRANSPORT AND TRAVEL (CIIdIT - MITIGITI RICCI)
1330-1415	3 - EXTERNAL INFLUENCES ON TRANSPORT AND TRAVEL (Chair - Miriam Ricci) Value for Money in a Changing Economy
1330-1415	Value for Money in a Changing Economy Phil Goodwin
	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel
1330-1415	Value for Money in a Changing Economy Phil Goodwin
1330-1415	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire)
1330-1415	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social
1330-1415	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand
1330-1415	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social
1330-1415	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand
1330-1415 1415-1445 1445-1515	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster)
1330-1415 1415-1445 1445-1515	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK
1330-1415 1415-1445 1445-1515 1515-1530 SESSION	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts: Implications for Advanced Travel Information Systems (ATIS)
1330-1415 1415-1445 1445-1515 1515-1530 SESSION	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts:
1330-1415 1415-1445 1445-1515 1515-1530 SESSION 1530-1600	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts: Implications for Advanced Travel Information Systems (ATIS) Owen Waygood and Erel Avineri
1330-1415 1415-1445 1445-1515 1515-1530 SESSION	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts: Implications for Advanced Travel Information Systems (ATIS) Owen Waygood and Erel Avineri The impacts of household structure to the individual's stochastic activity-travel
1330-1415 1415-1445 1445-1515 1515-1530 SESSION 1530-1600	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts: Implications for Advanced Travel Information Systems (ATIS) Owen Waygood and Erel Avineri The impacts of household structure to the individual's stochastic activity-travel time budget
1330-1415 1415-1445 1445-1515 1515-1530 SESSION 1530-1600	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts: Implications for Advanced Travel Information Systems (ATIS) Owen Waygood and Erel Avineri The impacts of household structure to the individual's stochastic activity-travel
1330-1415 1415-1445 1445-1515 1515-1530 SESSION 1530-1600	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts: Implications for Advanced Travel Information Systems (ATIS) Owen Waygood and Erel Avineri The impacts of household structure to the individual's stochastic activity-travel time budget
1330-1415 1415-1445 1445-1515 1515-1530 SESSION 1530-1600	Value for Money in a Changing Economy Phil Goodwin Volcanic Ash Cloud Disruption to Air Travel Juliet Jain and Jo Guiver (University of Central Lancashire) The unusual suspects: the impact of non-transport technologies on social practices and travel demand Christa Hubers, Glenn Lyons and Thomas Birtchnell (Lancaster) TEA BREAK 4 - THE SOCIAL AND SPATIAL TRAVEL ENVIRONMENT (Chair - Graham Parkhurst) The Effect of Loss Framing on the Perceived Difference of CO ₂ Amounts: Implications for Advanced Travel Information Systems (ATIS) Owen Waygood and Erel Avineri The impacts of household structure to the individual's stochastic activity-travel time budget Yusak Susilo and Erel Avineri
