Jack fell down and broke his crown and Jill came tumbling after

Principals – individually

The script extracts are all in the same file named 'Audition Script'

Females: Audition Piece 1- read Audrey, sing 'Somewhere That's Green'

Males: Audition Pieces 1 & 2 – read Seymour from piece 1 and the Plant from piece 2, sing 'Grow for Me' & 'Git It'

For the principal audition you will need to read the libretto extract(s) above and sing the song extract(s). It would be ideal if you could perform the libretto extracts from memory. The song does not need to be done from memory
