## Testimonials

"They enjoyed new challenges, had fun, met new people"

Mrs Worthington

"My child is very reluctant to try new activities and after encouraging her to give it a go with a friend who regularly goes she wanted to return as much as she could"

Mrs Newton

"She came home wanting to stay there. She would be really happy and looked forward to the next day and activities"

Mrs Camilleni

"Much to talk about at the end of each day, enthusiasm for attending, no complaints"

Mrs Brunt

"Excellent coaching, kind and caring staff, very safe and well organised"

Mrs Andrews

"Really enjoyed their activities, couldn't stop talking about their day"

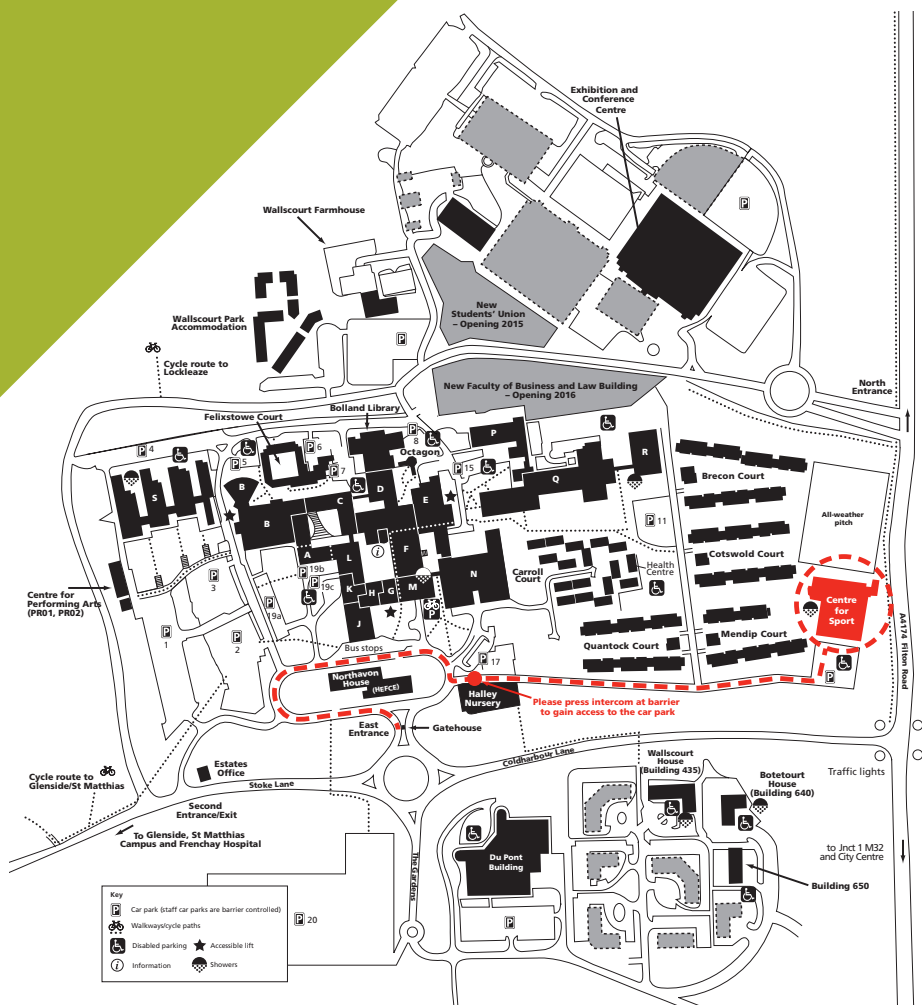

Mrs Craig

"During the holidays I must work and to do that my children need to be stimulated, exercised and happy, quite a task! UWE Hotshots does it well! Thank you"

Mrs Davis

"My daughter had a truly fantastic, exciting and enjoyable time. She is quite a shy child, but right from the first day she loved coming to the sports centre and had a great time with all the activities – especially the climbing wall! She was looked after extremely well, made some new friends and couldn't wait to get back each day"

Mrs Smith
