

CITY CAMPUS

BOWER ASHTON TOUR

Welcome to UWE Bristol

**Everyone and everything here shares a single purpose:
to give you the best learning experience.**

It's all here for you

With over 35,000 students studying with us here in Bristol or at our partner universities overseas, we're one of the UK's most popular universities. We work across industry to identify skills shortages, develop courses, and provide work opportunities for our students. With one of the largest paid internship programmes in the UK, we've arranged over 11,000 internships and work placements since 2010.

Focused firmly on your future

Everything we do here focuses on your future career. Courses designed to meet industry needs? Work experience? We have that covered. We create a real-world learning experience so that you leave us as an adaptable, well-rounded, career-ready graduate.

No. 1

Bristol was named best place to live in Britain in 2017.

THE COMPLETE EXPERIENCE

Today is your chance to explore Bower Ashton Campus and get a feel for student life here. It should take you less than an hour to cover the route, but if you fancy stopping for a cuppa or exploring further, you'll need a bit longer. We hope you enjoy the tour.

LET'S GO

Start at the Information Point – our main access point for student support services. It's in the F Block foyer, just inside the green building. Please ask staff at the Information Point for a visitor swipe card. This will give you entry to buildings with restricted access.

Turn right when you get past the Information Point and walk down the corridor of F Block.

On the right-hand side of the corridor is the **newsroom**.

Next along the corridor is the **EPI Centre** – the main IT suite. This is split into four rooms – all with Macs featuring the latest design software.

Before entering these rooms, please check for an open access sign to indicate no teaching sessions are in progress. If you see this sign, feel free to go in and look around.

At the end of the corridor, exit through the door to the left. The wooden building on your right is G Block which hosts the following facilities:

- **Film studios**
- **Production studio**
- **Two large photography studios**
- **Stop motion animation and CGI studios**
- **Sound recording and Foley sound effects studios**
- **Colour grading studios**
- **Editing suites**

For security reasons these facilities are only accessible with a UWE Bristol identity card or a visitor swipe card.

Retrace your steps back and head right under the covered walkway through the door, which takes you into C Block.

Along this corridor and in the short corridor to your left you'll see a number of specialist printmaking facilities and studios. These include:

- **Digital printing, fine print and 3D print rooms**
- **Textiles**

At the end of the corridor, go up the stairs to a lift and staircase.

Go up one floor. Then turn right and start walking towards the library. You're now in B Block. You'll pass a multimedia lab and a PC lab.

When you arrive at the **Library**, please let reception staff know that you're a visitor.

In the Library you'll find both individual and group study areas. Laptops are available to borrow and there's an extensive DVD library with a selection of art-house films.

Leaving the Library, walk back through the corridor to the lift and staircase.

If you'd like to see the rest of B Block, you'll find:

- **Photography on Level 3**
- **Fashion on Level 4**

Next go down one floor.

Back on the ground floor of B Block, turn right from the lift or stairs, where you'll see the **Students' Union** reception and shop a little further along the corridor.

Carry on along the corridor and on your right you'll see the **art shop**. Here, students can buy a wide range of art, media and design consumables: from specialist paint materials to data storage.

Follow the corridor and turn right at the end into **Traders Café/Learning Zone**.

Walk through and take the exit to your right into A Block foyer. To your left is our largest **drama studio**.

Go back into the learning zone and leave it by the door to the left of the Students' Union bar. Go down the ramp/steps.

Look to your left and you'll see our **student services consulting rooms**, where students access help and advice on a wide range of issues.*

*These are in temporary portakabins awaiting the redevelopment of our new student centre, which will house all our student support services.

Opposite you'll see our new D Block. Here you'll find flexible workshop spaces, communal areas and the following facilities:

- **Fabrication, casting and ceramics studios**
- **The Centre for Fine Print Research**
- **Interior Design**

For security reasons you can only access these facilities with a UWE Bristol identity card or a visitor swipe card.

Walk along until you reach your starting point at the main campus entrance. Please pop in and see us at our Information Point if you have any questions.

Take a look at the gallery space directly above the Information Point where there're often student exhibits on display (open until 17:00).

BOWER ASHTON

Bower Ashton is the administrative hub of City Campus. It includes student support services, the Students' Union and a wide range of resources available for students studying all creative disciplines.

ARNOLFINI

The Arnolfini is one of Europe's leading centres for the contemporary arts. It houses our courses in Graphic Design, Graphic Arts, Drawing and Print, Curating, as well as parts of our Fashion Communication and Drama and Acting programmes.

SPIKE ISLAND

An international centre for the development of contemporary art and design, this space accommodates our Fine Art courses. As well as research activity it hosts a programme of artists' residencies and exhibitions.

WATERSHED

A leading film culture and digital media centre in the South West, the Watershed houses our Digital Cultures Research Centre within the Pervasive Media Studio. Here we deliver some of our Visual Culture modules for Art and Design students, as well as some postgraduate study.
