This is the country where you are living. Do not select a country where you are staying temporarily as a visitor.

If you are not a national of the country in which you are applying, enter here the details of the visa or residence permit which allows you to live in that country (e.g. your student visa).

If you have held previous passports, you will be asked for the nationality, passport number, issuing authority, issue and expiry dates, and the current status of the document (e.g. lost, stolen, retained etc.). Click 'Add' to enter this information for each passport you have held in the last ten years.
