

# UWE Bristol International Summer School

16-27 July and 30 July – 10 August 2018

## Study in the UK

If you are considering improving your English language skills and want to experience life in the UK, we've got the perfect course for you.

At our two-week summer school you'll learn more than English, you'll be taught other useful professional skills such as how to give more effective presentations and improve your communication skills.

What's more, you'll get to do this in Bristol, a vibrant city considered to be the best place to live in Britain\* and just 90 minutes from London.

# Discover the UK

As well as academic sessions, you'll also learn about British culture and get to explore the country with day trips to Oxford, Bath, Gloucester and London. It's an enjoyable way to learn a language whilst making new friends abroad.

## Life at university

You'll live in the student village at our Frenchay campus in flats of up to six people. Each flat has a shared kitchen and living area but you'll have your own en-suite bedroom.

Our summer school fees range from £1,150 to £1,450 depending on whether you prefer your meals included or not.

The price covers:

- English language tuition.
- Skills development workshops and tutorials.
- Trips to London, Oxford, Gloucester, Bath and Bristol.
- On-campus, en-suite accommodation for two weeks, including a weekly room cleaning service.
- UWE Bristol certificate of attendance.

Airport transfers for individuals or small groups can be arranged at an extra charge (from London Heathrow or Bristol airport only). We'll take you directly to your accommodation on campus.
