Media Appearances

Dr Tim Chatterton (FET) was interviewed by John Darvall on BBC Radio Bristol about air quality and the 20mph speed limits.

Dr Lisa Harrison (ACE) was interviewed by BBC Radio Gloucestershire on the breakfast programme discussing the Tory Party Conference with specific reference to the recent defections to UKIP and the poll indicating Labour may be creeping ahead of the Conservatives.

Rose Moreton and Sophie Jarzebowski, students of the Bristol School of Architecture, were interviewed on BBC Radio Bristol discussing their Master of Architecture project 'Dreams for Bristol: Swim Bristol' and the Swim Bristol Campaign that has recently taken the Twittersphere by storm, catching the attention of George Ferguson, Bristol Green Capital, and the Bristol Community.
