

Personal Circumstances (PCs)

Wellbeing Service Policy

The Wellbeing Service recognises that on occasion a student may experience something major which is unforeseeable, beyond their control, and which may significantly disrupt their ability to sit an exam or submit a piece of coursework.

If your PC application is in relation to a mental health condition that the Wellbeing Service are already aware of: please submit your PC application.

You will not be asked to submit evidence at the point of application although you may be asked for this at a later date. You will not need to book an appointment with the Wellbeing Service to request supportive evidence.

If your PC application is in relation to a mental health condition, and you were not accessing support from the Wellbeing Service during the period of time that your PC application refers to: you should request evidence to support your PC application from external support providers you were accessing at that time, such as your GP.

However, if you feel Wellbeing Services would be of benefit to you at any difficult time, please apply online: www.uwe.ac.uk/wellbeingservice or contact us: +44 (0)117 328 6268, email wellbeing@uwe.ac.uk or see us at 2FC050 Felixstowe Court, Frenchay.
