Car parking on campus

We are now a member of the British Parking Association (BPA) Approved Operator Scheme. This means we manage parking enforcement in accordance with the BPA guidelines. Any breach of our parking policy may result in a penalty charge notice and further action as necessary.

Remember that you must display a valid permit to park on any UWE Bristol campus. You can find out if you're eligible to park, where you can park and how to apply for a permit on our car parking webpages. Make sure you apply for a permit as soon as possible.

Reminder: Stoke Lane one-way system

We wanted to remind you that a one-way system is in place on Stoke Lane near Frenchay Campus due to Metrobus works. A diversion is in place via the A4174 (Ring Road).

Cyclists and pedestrians are still able to access Stoke Lane in both directions, but if you're driving you'll need to use the diversion route. [Bus services are also affected](#).

Please allow extra time to get to campus as delays are inevitable.

Keeping you safe

We've got Security staff on each campus 24 hours a day, every day of the year.

But since we can't be everywhere at once, it really helps us when you report things that seem suspicious or out of place - no matter how small it may seem.

To report something, call **0117 32 86404** and we'll investigate. In an emergency on campus please call **0117 32 89999**.

Welcome events

We're running a variety of events across all campuses to help new students settle in, including films, sports and fairs. You'll also find a variety of [welcome events being held at the Students' Union](#).

The events aren't just for new students - you're more than welcome to come along if you're back on campus!

Help us improve Blackboard

Join us next Tuesday 6 September for a feedback day on Frenchay Campus.

It's your chance to think about what improvements you'd make to Blackboard so that you can access information more easily, and to tell us what you want from your campus to help you focus on your learning.

We'll provide lunch and a £10 Amazon voucher, and can also cover travel costs up to £30.

University Health Centre re-opening for the new year

Don't get caught out by scams

Please be cautious of any emails, texts or phone calls that ask you for personal information - even if they appear to be genuine. This is fraudulent activity designed to trick you into giving out your personal details, which can be used to steal your money.

Scams like these can be quite common at this time of year, especially around the time you receive your student loans.

If you need advice or you think you've been a victim of fraud, please contact our [Money Advice and Funds team](#) or the [Students' Union Advice Centre](#) for support.
