Dynamic content (content specific to Faculty/campus/level etc.) features at the end of this document but for students it's integrated into the body of the newsletter.

## Say hello to our Freshers

This time last week our future first years got their results – and Snapchat was filled with their shiny, happy faces!

When you're back in September, if you see anyone looking dazed and confused, help them out and ask if they need directions!

Want to join in? Find us on Snapchat at UWEBristol.

# Things to do before the new term...

As the new term is just over three weeks away (how has that happened?) we've pulled together some things it'd be great to sort before the new term is underway.

## Register for the new year

Let us know that you're coming back! You should now have the Registration tab in myUWE. If you're still waiting for confirmation of how your fees will be paid, you can still partially register by updating your personal details (i.e. your term-time address).

## Tell your future employer about your busy summer

If you've spent your summer doing things worth adding to your CV, then update it ready for October's [Meet the Employers Fair](#). If you haven't, either keep quiet about it or cram in some CV-worthy activities in the remaining few weeks of the holidays to talk about!

Check out our Careers Toolkit for tips on how to write an eye-catching CV.

## Check you still have your student card

If you've lost your student card, you can order one through our online store and pick it up from an Information Point straightaway (or when you're next on campus).

## Sell last years' textbooks

Are last years' textbooks still lying around taking up room? Blackwell's on campus will buy them back from you! If they're the current edition used by the University, they'll give you up to 33% of the retail value back onto your card - or up to 40% onto a Blackwell's gift card.

## Buy this years' textbooks

Blackwell's will price-match Waterstones, WHSmith, Book Depository and Amazon.co.uk - so if you find a book you need for your course cheaper with them, give Blackwell's a call (0117 965 2573) or drop in and they'll sell it to you for the same price. Not bad, hey?

## Love where you live

Not long until you'll be moving into your new accommodation for this year (or maybe you have already). We hope you're looking forward to getting to know a new area, or an old area better.

Check out [Love Where You Live](#) to find out about being part of your local community, how to be considerate to your neighbours and the all-important recycling arrangements for your area!

## FRESHERS' FAIR

This year Freshers' Fair is on a Thursday! Here at The Students' Union we believe that it's never too later to try something new – so come down to our Freshers' Fair on **Thursday 21 September** and see what life at UWE Bristol has to offer.

With over 200 stalls, there's plenty of things to do, people to meet and sweets to eat!
