Description

Nursing students on exchange at this institution will undertake clinical placements allowing them the opportunity to gain specialist skills in a professional healthcare environment outside of the UK. Erasmus students are guaranteed accommodation, and offered an airport pick up service, as well as a buddy programme and number of social events

Surrounding Area

Bergen is the second largest city in Norway. It is known as 'the gateway to the fjords' and is surrounded by mountains. It has a cool, oceanic climate and plentiful rainfall. Bergen hosts culture and film festivals annually, is the street art capital of Norway and was awarded 'European Capital of Culture' in 2000.

Accommodation

University/Hospital accommodation available and is guaranteed for exchange students.

How to apply

Interested students should email Studyabroad@uwe.ac.uk for further information and an internal application form.

When successfully selected by UWE and nominated to Betanien you will need to provide :

- Online application available here: <http://www.betanien.no/hogskolen/Pages/for-international-students.aspx>
- Transcript, learning agreement, MRSA screening and risk assessment

Deadline : 1st Oct for Semester 2; 1st March for Semester 1
