Description

The main priorities of IMC in Krems are an international approach and practical focus. University-level education tailored to professional requirements demands a solid academic background. IMC Krems has currently over 113 international partner universities worldwide. Krems is also a place where students can make important business contacts and forge relationships with potential employers.

Surrounding Area

Krems is the prettiest of the larger towns on the Danube and marks the beginning of the Wachau. Enjoyable eating and drinking, an atmospheric historical centre, rivers of top-quality wine from local vineyards and a couple of unexpected museums attract the summer tourist crowds. Aimless wandering is the best plan of attack, dipping into churches and museums, strolling the banks of the Danube and sampling the local tips as you go.

Accommodation

IMC Krems has student's residences available in city centre and shared apartments 20 minutes walk from the university.

How to apply

When successfully selected by UWE Bristol and nominated to IMC Krems you will need to provide :

- Application form
- Accommodation form
- Passport copy
- Copy of health insurance policy
