## Description

Soonsgil University began in 1897 when an American missionary started teaching in Pyong Yang— and was later officially recognised as the first University in Korea.

The University's main goal is to produce global talents and well respected leaders.

The University has over 100 international partners and is based in the heart of Seoul.

## Surrounding Area

Seoul is the largest city in the Republic of South Korea and its capital. The city and its surrounding metropolis house half the population of South Korea. A world leading technology hub, Seoul is home to Samsung, LG, Hyundai-Koa and is also the birthplace of K-Pop. The city is home to 13 different Universities.

## Accommodation

Single, Double and Quad rooms are available from £800-£1300 for the semester. Onsite facilities include a gym, a cafeteria, a convenience store, laundry facilities and a post office.

## How to apply

When successfully selected by UWE and nominated to Soonsgil University you will need to submit an application with the following documents by 15th November:

- Official transcript in English
- Copy of your passport identity page
- One passport sized color photo
- Statement of Purpose
