Description

NTUT ('Taipei Tech') is a publicly funded technological institution in Taipei ranked in the top 200 universities in the world for employability. It is highly committed to making the campus eco-friendly and is filled with water and green spaces. Support for incoming students includes a student buddy programme and intensive Chinese language courses.

Surrounding Area

Taiwan's capital city is home to 2.7 million people. The city has a thriving performing arts scene and shopping district with both modern shopping malls and traditional night markets. Annual festivals include the Lantern Festival, Lunar new year and the Dragon Boat Festival.

Accommodation

Students have the option of on-campus accommodation or off-campus housing. On-campus

residence is prioritised for exchange students but not guaranteed and is not available over holiday periods.
