Description

Since its inception in 1969, Taylor's University has gained significant recognition as a leading private education institution in Malaysia. Part of the Taylor's Education Group, the University offers a range of internationally recognised business qualifications within its Business School (established in 1993). Taylors Business School has been delivering UWE courses and awarding UWE degrees since 2004, and receiving exchange students since 2015. Students who go on exchange to Malaysia will have the opportunity to study UWE modules in a new environment.

Surrounding Area

All roads away from Kuala Lumpur lead to the state of Selangor, Malaysia's most populated and prosperous state. Selangor surrounds the capital with green suburban arms and industrial tracks, but as the city is left behind, a different, older and more natural order quickly unfolds.

Accommodation

Accommodation arrangements vary from triple sharing, twin sharing, single occupancy to en-suite or shared bathrooms, on or off campus. Rental ranges from 138 – 275 GBP per person per month.

How to apply

When successfully selected by UWE Bristol and nominated to Taylor's University you will need to fill out an online application, accompanied by the following documents:

- Academic transcript
- Passport copy
- Passport photographs

Application deadline: 30 March
