|--|--|
| <p>Newspapers</p> | <p>Print: The Library subscribes to two Spanish newspapers, La Vanguardia (Sunday edition only) and El País. The current issues are at the back of Level 2.</p> <p>Electronic: The database Nexis gives full-text access to a large number of Spanish newspapers and magazines, including El País, ABC, El Mundo and Expansión. You can access this at http://www.uwe.ac.uk/library/elibrary/. You will need your UWE network username and password.</p> |
| <p>Magazines</p> | <p>Spanish language magazines available in the Library include Cambio 16. The current issues can be found on Level 3 by the comfy seating area and are for reference only.</p> |
| <p>Film DVDs</p> | <p>The Library has a large range of Spanish language films on Level 5 which can be borrowed. You can also view them on one of the televisions in the Library. Examples include Innocent voices, Pan's Labyrinth, Machuca, Broken Embraces, Sin Nombre and Volver. For a full list of films visit the web page given at the top of this guide.</p> |
| <p>Grammar books, Dictionaries and Language packs</p> | <p>Print: Grammar books and language packs are on Level 4. They can be found at shelf number 468.2 and can be borrowed. The Library has a subscription to Authentik, which contains sound excerpts from the Spanish news, along with accompanying articles from the press. If you would like to use a language pack in the library there are computers available in the PC lab 4D29. You may need headphones and these can be borrowed from the Short Loan Area on Level 2.</p> <p>Electronic: The Library provides electronic access to Oxford Language Dictionaries Online, which includes a bilingual Spanish-English dictionary. You can access this at http://www.uwe.ac.uk/library/elibrary/. You will need your UWE network username and password.</p> |
