# ARC – Placement on Web system guide

Designed to assist users, both students and staff who access the placement online system used at the University of the West of England, Bristol.

## Login Page

Access to the Login Page is through

Internet Explorer Web browser

In the web address enter [arcpow.uwe.ac.uk](http://arcpow.uwe.ac.uk) and press return

If this does not connect you then try entering <http://arcpow.uwe.ac.uk> or <https://arcpow.uwe.ac.uk> or you can login via the UWE Intranet.

A screenshot of the UWE Bristol website. At the top left is the UWE Bristol logo. To the right are navigation links: Students | Staff | Alumni | Login. Below these are links: Study | About | Business | Research | News & Events. A search bar is also present. The main content area features a large image of three students in a library setting. Below the image is a dark teal banner with the word 'Students' in white. At the bottom, there are three teal boxes: 'myUWE' with a description and a button, 'Library' with a description and a button, and 'Academic advice' with a description and a button.

This is your own personal record showing your details, we will return to this screen later.

This screen will appear when you return to University for the Year 2 and Year 3 of your programme. You are required to complete a self-declaration prior to commencing study. You should read the statements carefully and tick each box and when you have, Left Click the Submit button.

**Self-Declaration: Good Health and Good Character**

Good health is necessary to undertake practice as a nurse or a midwife. Good health means that a person must be capable of safe practice.

Good character is also important as nurses and midwives must be honest and trustworthy. Good character is based on a person's conduct, behaviour and attitude. It also takes account of any convictions and cautions that are not considered to be compatible with professional registration and that might bring the profession into disrepute. A person's character must be sufficiently good for them to be capable of **safe and effective practice without supervision**. It is important that you are aware that your behaviour and conduct, both during your programme and in your personal life, including on any social networks you are part of such as Facebook, may have an impact on:

1. your fitness to practise
2. your ability to complete your programme
3. the willingness of the university to sign the declaration of good health and good character for you to become a registered nurse or midwife.

**The NMC requires that students self - declare their good character and health annually. In order for this to be accomplished, all nursing and midwifery students must therefore complete the following declaration:**

I have read and understand the NMC guidance available here [Good Health and Good Character for student nurses and midwives](#).

I understand that I must notify the University and Programme leader of any criminal convictions, cautions, reprimands or warnings recorded on police central records, since the last DBS check (formerly Criminal Records Bureau CRB) or self-declaration. (Do not include motoring offences where you receive a fixed penalty unless it led to your disqualification). Where I have received any of the above I have contacted the Programme Leader and completed the DBS Self-Assessment form (available at this location [Disclosure and Barring Checks Procedure](#))

I declare that my health and character are sufficiently good to enable me to practise safely and effectively and that all of the above information is a true and accurate record

I confirm there are no significant changes to my health since my last declaration that would affect my fitness to practice.

I confirm I have no new convictions, cautions warnings or reprimands since my last declaration.

I will practice in accordance with the [The Code for Nurses and Midwives; Professional standards of practice and behaviour for nurses and midwives](#)

I have read, and agree to abide by, the principles contained within the Faculty of Health and Applied Sciences [UWE student conduct policy](#)

Please note : A false declaration to the above, subsequently discovered, in itself may lead to a student being investigated through [UWE Professional Suitability and Professional Conduct Policy](#). This could, in turn, lead to discontinuation from the relevant programme.

**Please note that the on-line declaration form for Good Health and Good Character is contained within the ARC system. Any student who does *not* complete their declaration will subsequently *not* be allowed to access their placement details through ARC. As a result the student will therefore *not* be allowed to attend placement.**

Once completed you will be taken to the Home Screen (Page 7).

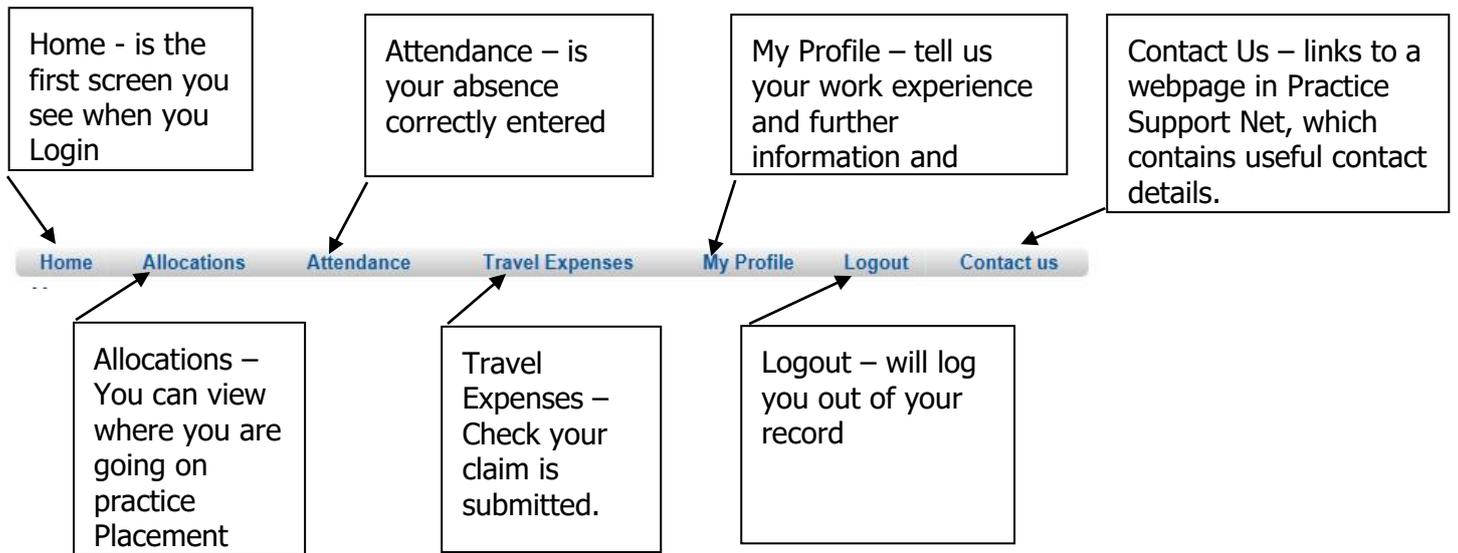

## Navigating around the System

The first thing to note is that the normal back and forward used when searching through internet pages does not work.

This is for security and if another person went into the system after you they could not go back to look at your personal details.

Move around the system using the Menu bar. This appears at the top and bottom of the page.

Left click on the tab and it will take you to the screen you wish to view. An explanation of each screen follows

## Home Screen

The screenshot shows the UWE Bristol student portal interface. At the top left is the UWE Bristol logo. The main header area displays the student's name 'Glasgow, Joss' and intake 'TEST 09.15'. To the right, it shows the system update date '31/01/2017 23:08:44' and the last login date and time. Below the header is a navigation menu with tabs for Home, Allocations, Attendance, Travel Expenses, My Profile, Logout, and Contact us. Under the 'My Profile' tab, there are sub-links for Top Tips, Documents, and Other students on the Placement. The 'Top Tips' link is highlighted in red. The main content area below the navigation is currently empty.

Documents – Check to see if the placement has uploaded useful documentation for you to read preplacement.

This screenshot shows the UWE Bristol student portal interface with the 'Documents' section active. The header and navigation menu are identical to the previous screenshot. In the 'My Profile' sub-menu, the 'Documents' link is highlighted in red. The main content area below the navigation contains a single document entry represented by a grey rectangular button labeled 'Document'.

Other Students on this Placement – See which other students are allocated to your placement, contact them for a coffee or to find out what it is actually like. See My Profile where you can share your email address for others to contact you.
