### Broadcast

Scott Ellis presenter for BBC Points West was at UWE to cover Clearing. Along with how well clearing had gone he covered the growth in students numbers coming to UWE, highlighting our new facilities – Student Union, Wallscourt Residences and the new Faculty of Business and Law. Professor Jane Harrington - Deputy Vice-Chancellor, Katie Jenkins – Director of Future Students, Lauren Conen – SU Vice-President, Keith Hicks – Director of Corporate Relations and Susanne Alderman - Admissions were all interviewed. The article can be viewed on this evenings BBC Points West at 6.30pm this evening.

BBC One's *Gadget Show* came to film Open Bionics this week in the Bristol Robotics Laboratory.

Roger Conlon and Louise Jennings (ACE) gave interviews to SAM Radio FM and Made in Bristol TV this week about the major investment and redevelopment of Bower Ashton.

Dr Lauren Devine and Stephen Parker (LAW) helped the BBC this week giving them an overview and understanding of what the rules are in regards to child protection in relations to schools.

Professor Tony Pipe and Farid Dailami (FET) were filmed by *Panorama* for a programme on AI due for broadcast on 14 September. The programme is about robotics in manufacturing and how AI could/will potentially affect the way we work.

Dr Lisa Harrison (ACE) discussed young people's political engagement on ITV News West Country on Wednesday 12 August, this can be viewed here - <http://www.fixers.org.uk/news/12934-11208/political-education-fix-on-itv.php>
