## Welcome to Frenchay Campus

You're about to join our wonderful community at our biggest campus - Frenchay.

You'll find everything you need to succeed with your studies - like a 24 hour computer lab, study spaces and a library that's open every day of the year.

There's also plenty of space for you to relax and socialise, with a free on site cinema, our Centre for Sport and The Students' Union at UWE.

And keep an eye out for our campus geese - they build their nests here every year and are a big hit with all our students!

## First of all - how are you going to get here?

### Buses

Frenchay Campus has great bus links - we're even on the super-fast [metrobus](#) routes. Plan your journey with the UK Bus Checker app or the Travelwest website.

[Plan your bus journey](#)

### Cycling

It's cheap, quick and there are loads of off-road cycle paths. We've got secure bike storage, showers, lockers - and we even offer free bike check-ups and bike loans.

## Car parking

You can only access car parks on campus if you have a valid parking permit. You can apply for a permit now via [myUWE](#).

Undergraduate students living within the exclusion zone cannot park their car on Frenchay Campus.

## Train

Filton Abbey Wood and Bristol Parkway are the closest train stations to Frenchay Campus, although be aware that **no trains** will call at Bristol Parkway between 15 September - 6 October due to [electrification works](#). Diversions and replacement buses will be in place.

## You will get lost!

You'll soon know your way around Frenchay, but if you do get lost just ask someone to point you in the right direction - we're all here to help.

Room numbers can be confusing - here's an example of how they work:

Room **2B030**: the first number (2) is the floor level. The letter (B) is the block and the last number (030) is the room. So 2B030 is room 30 on the second level of B block.
