Description

HKBU is centrally located on the Kowloon side of Hong Kong. The University's four campuses are well served by public transport. HKBU offers a strong programme of cultural and social activities for incoming exchange students including a free airport pick up, orientation activities and trips to mainland China.

UWE students studying in Hong Kong will join either the [BSocSc \(Hons\) Geography](#) programme. HKBU is one of UWE Bristol's longstanding exchange partners - subject links include Business, Sociology as well as Art and Design subjects.

Surrounding Area

Hong Kong is a vibrant, diverse city marked by a vigorous blend of East and West and is seen by many as a gateway to the Chinese mainland. It has a vibrant shopping scene with a mix of modern shopping malls and traditional markets. There are

also many cultural festivals throughout the year, with the Lunar New Year celebrations in February being the undisputed highlight.

Accommodation

Shared rooms in undergraduate halls available.
