Description

NEU Vietnam is located in the heart of Hanoi — the capital of Vietnam. The University is one of the leading Universities in Economics, Management and Business Administration in the country with alumni including a minister, Deputy Prime Minister and CEO's of many major domestic and multinational corporations. The well equipped campus includes a health clinic, cafeteria and sport facilities.

Surrounding Area

Hanoi is a noisy metropolis where ancient streets surge with scooters and street hawkers. On every corner you'll find low-priced authentic Vietnamese street food. On Sundays, the weekday rat-runs become pedestrianised zones and whole families dine out at low plastic seating outside noodle shacks—the epitome of south Asian city living.

Accommodation

NEU has 20 fully-furnished rooms for international students. Accommodation in Vietnam is inexpensive and students can choose to live off-campus in private houses, rooms in Hanoi international dormitory, shared apartments (landlord-occupied) or in a "home-stay". Exchange coordinators will assist in helping students make accommodation arrangements.
